No higher praise can be given Dr.
Williams' Plnk Fills for Fale People than the many voluntary testimonials from ministers of the gospel which have come from all parts of the country and which have more than supported all the cialms made for this excellent medicine. The most recent indereement is that coming from Rev. Eroch Hill, pastor of the M. E. Chur... of Grand Junction, lows, who says:

"I am a firm believer in the officacy of Dr. Williams" Pink Pills for Pale People, the remedy having been used in my family with highly gratifying results. For three or four years I was a sufferer from general debility. I seemed to be lacking in vitality, was tired out most of the time and sleep gave me no rest or refreshment. I was troubled with headache much of the time and sleep gave me no rest or refreshment. I was troubled with headache much of the time and slihough I was not confined to my bed, my illness incapacitated me for energetic work in my pastorate.

"A sister-in-law living in Nebraska, who had suffered very much and who has used Dr. Williams Pink Pills with good results, recommended them to me and I decided to try them. I had taken but two or three doses of the pills when I found that they were helping me and further use of the remedy brought such relief that I am glad to offer this public recommendation of Dr. Williams Pink Pils for Pale People in the interest of suffering humanity.
